WANTED—ANELEVATOR BOY

NEW DEPARTURE IN HONOLULU'S
BUILDINGS.

Electric Elevator Placed in the Mott-
Smith Building—Similar to Those
Used in San Francisco.

"Wanted—An elevator boy. Must
be good looking and possess polite
manners."

This is the advertisement that E.
A. Mott-Smith will be obliged to in-
sert in the newspapers in another
week or so. Mr. Mott-Smith will not
require experienced boys, because he
well knows that his will be the first
elevator ever in operation in Hono-
lulu.

The elevator will arrive from the
East on the 17th of the present
month. It will be an electric speed
affair and will be as durable and neat
appearing as the elevators in the tall
buildings in San Francisco and other
big cities. The design will be of rib-
bon grill, the inside being finished off
in hard wood.

The elevator will be run from the
basement to the top floor. The power
will be supplied by the Hawaiian
Electric Company. The elevator boy
will wear a bright uniform, which
will advertise the Davey Photographic
gallery.

The Mott-Smith building is rapidly
nearing completion. It was originally
intended to have the building finished
on August 1, but it will be another
three or four weeks before it will be
opened.

Paul J. Voeller has leased the
ground floor for his grocery store.
Davey will have an office on this floor
near the elevator. Dr. Derby will
occupy the front offices on the second
floor, and Dr. Howard, and possibly
Dr. Ryder will occupy the other offices
on this floor. The Davey Photo-
graphic gallery will be located on the
third floor.

AT THE PLAY.

Fanchon, by Katie Putnam, at the
Opera House.

The audience that greeted Katie
Putnam and her company at the Opera
House last evening fully appre-
ciated the fine presentation of Fan-
chon, the Cricket.

The beautiful five-act comedy was
carried out with a most enthusiastic
spirit. That Miss Putnam was entire-
ly at home in the leading role of Fan-
chon was manifested by the frequent
applause given her during the even-
ing.

Her support was exceedingly good.
W. H. Tooker, as Landry Barbeaud,
who is in love with the Cricket, was
strong in his part. J. D. O'Hara, Lan-
dry's twin brother and the son of a
proud and wealthy old farmer, in-
terpreted the part of an idiotic and
comical character with much satisfac-
tion.

The other heavy parts were assum-
ed with good grace by H. B. Emery,
as Father Barbeaud, Anna Watson,
as Mother Barbeaud, and Mollie Stock-
meyer, as Mother Fadet.

The features of the comedy were
numerous. In the first act Miss Put-
nam completely enraptured her audi-
ence in the shadow dance. During
the maypole dance at the St. Audoché
festival, the comedienne demonstrated
remarkable talent. It was here that
she appealed to those who scorned her
to read the prayer that her mother
had written before her death.

Lena, the Madcap, will be repeated
at the Saturday matinee. The Old
Lime Kiln will be presented Satur-
day evening. The advance sale of
seats indicates a large house.

"DOMESTIC."

There is no necessity to add the
words sewing machine in speaking of
the "Domestic." Every housekeeper
knows that the "Domestic" is what L.
B. Kerr claims it to be—the best in the
world.

BASE BALL CONTROVERSY IN THE CIRCUIT COURTS

MANAGER CARTER'S PROTEST IS
THROWN OUT.

Disputed Game Between Stars and St.
Louis Will Be Played at the End of
the Season.

The protest entered by manager
Carter of the Star baseball team
against the decision of Umpire George
Angus in calling a halt to the second
game between the Star and St. Louis
clubs last Saturday afternoon, was
thrown out at a meeting of the Hono-
lulu Baseball League in the Chamber
of Commerce this noon.

The protest entered by Manager
Carter is as follows:
Gentlemen of the League: On be-
half of the Star Baseball Club, I her-
eby beg to protest against the decision
of the umpire in calling the second
game played between the Star Base-
ball Club and St. Louis Baseball Club
on July 31, 1897, a tie and from stop-
ping such game.

I claim he had no such right to do
so and would refer to baseball rule
22 of 1896 rules, and as the Star Base-
ball club was ready and willing to
finish the said game that the said be
awarded to them. Respectfully yours,
J. A. CARTER, JR.,
Manager Star Baseball Club.

Approved:
P. LISHMAN, Vice Captain.

Captain Thompson of the St. Louis
club offered no protest, but stated his
willingness to abide by the decision
of President Harry M. Whitney in
the matter. Manager Carter con-
sented.

President Whitney stated that he
could not allow the Stars' protest. He
had been a go-between Captains
Thompson and Wilder in order to get
the college boys back in the league.
He knew that Thompson had made
an agreement with Wilder in good
faith to allow the St. Louis to play
out the ninth innings. From the
start Thompson insisted in playing out
the game until it was decided, but
Wilder objected. Now Carter wanted
to do the very thing Wilder refused
to do.

"But I am manager of the team,"
interposed Carter.

"I have been identified with base-
ball in the islands for the last twenty
years and it has been customary for
the captain to have the word," an-
swered Whitney.

The 5th of July game will be con-
tinued at the end of the season. There
is considerable money up on this
match, which will have to remain in
the stakeholders' hands until it is de-
cided.

AORANGI A FORTNIGHT LATE.

Canadian-Australian Liner Will Call
at Wellington.

The Aorangi, due here from the
Colonies today, is not expected before
the 18th. Recent advices to Davies &
Co., the local agents, show that she
was ten days late in reaching Sydney
on her trip, and did not leave there
again until the 31st ult. The Aorangi
will call at Wellington, New Zea-
land, on the way out, and that
city will hereafter be a regular port
of call for Canadian-Australian liners.
With the Aorangi, Warrimoo and Mi-
owera the company will hereafter give
a four-weekly service between Van-
couver, Honolulu, Wellington and
Sydney.

REMEMBERED MR. SCOTT.

School Teachers Make a Presentation
for Past Favors.

The presentation of a solid silver
coffee service was made to John F.
Scott today by Miss Bernice Cook, on
behalf of the teachers of the Hawaiian
Islands.

The service consists of four pieces,
a coffee pot, sugar bowl, creamer and
tray. It bears this inscription:
"Aloha Nui Loa. To John F. Scott,
from some appreciative teachers of
the Hawaiian Islands. August 6,
1897."

During Mr. Scott's service in the
Educational Department as deputy
inspector general, he was always
friendly to the interests of the teach-
ers and never lost an opportunity to
better their condition.

Mr. and Mrs. Scott will leave for
Waimea, Kauai, this month.

WILL GO AHUNTIN'.

Professors Ingalls, Babbitt and
Howard of Punahou College and F. L.
Dorth will leave week after next for
Molokai, where they will hunt deer
for a week or ten days.

gists and dealers. Benson, Smith &

HENRY LUNNING FOUND GUILTY
THIS MORNING.

John Gadall's Breach of Promise Suit
Again to the Fore—Security for
Costs Needed—Jap Assault Case.

A verdict of guilty was returned by
the jury in the case of Henry Lun-
ning charged with a serious offense.
Judge Carter will probably impose
sentence on Lunning at the opening
of court tomorrow.

The attention of the Circuit Court
this afternoon is being taken up in
the trial of George S. Walker, the
American sailor who is charged with
assaulting Yoshida Tanejiro. Paul
Neumann will conduct the prosecu-
tion and S. J. Macdonald the defense.

The attorneys for John Gadall,
who is sued for an alleged breach of
promise, today filed a notice of a mo-
tion requesting the court to compel
Charlotte Boyd to give security for
costs. Gadall's counsel state that
the case has already been tried and
resulted in a disagreement and that
as Miss Boyd's principal witness lives
on Kauai the expense is considerable
to get him here. They claim Miss
Boyd is possessed of no real estate.

Judge Perry will listen to the matter
on August 9.

In the ejectment suit of Nakahile
and others against the Hilo Sugar
Company, the plaintiffs have filed a
bill of exceptions. Judge Perry found
judgment in favor of the sugar com-
pany on July 28.

Judge Perry has reinstated the case
of J. W. Leialoha and J. Paakaula,
which was dismissed for want of pro-
secution.

NEED OF MONEY.

Strangers' Friend Society Has Been
Doing Too Much.

The parlor of the Young Men's
Christian Association building was oc-
cupied this morning by the ladies who
comprise the Strangers' Friend So-
ciety. Mrs. Dole, Mrs. S. M. Damon,
Mrs. Mackintosh, Mrs. J. O. Carter,
Mrs. Fuller and Mrs. Jordan were
among those present.

The society finds itself in sore need
of funds. During the past quarter
there have been many calls for help
and the hospital expenses have in-
creased. The disbursements have ex-
ceeded the income, and unless more
money is realized the society will be
crippled.

The minstrel show to be given
shortly by the sailors from the Marion
and Philadelphia is for charity and
the funds will be turned over to the
society.

SOCIETY ANNOUNCEMENTS.

afternoon. The Hawaiian Band will
play a serenade.

day will run only as far as Ewa Mill.

GIVES A REPORT ON THE WORK
AT OAHU COLLEGE.

List of the '98 Seniors—Improvements
at the Preparatory School—About
the Art Collection—Scholarships.

Previous to going abroad, President
Hosmer of Oahu College had printed
the catalogue covering the fifty-sixth
year of the institution.

The '98 senior class is composed of
Martha M. Afong, William B. God-
frey, Jr., Ferdinand Hedemann, Harry
Klugel, Elia Long, Emma C. Lyons,
Walter H. Monroe, William T. Raw-
lins, Mary Cornwell Widdifield, Sam-
uel A. Allen and David Kupieha.

There are about ten members in the
junior class, twenty-two in the mid-
dle class, and about twelve in the
freshman's class.

There will be about 150 attending
the preparatory school.

The trustees have voted to raise the
standard of the preparatory school,
which was established in 1883. The
course of study will now include a
thorough drill in elementary algebra
through quadratic equations, collo-
quial and written French, and a care-
ful study of the poems of Longfellow,
Whittier, Lowell, Holmes, Bryant and
Emerson. Latin will be added short-
ly. There is also systematic instruc-
tion in freehand drawing and vocal
music through the course. Professor
Ingalls, of the college, will give lec-
tures, with experiments, designed to
serve as an introduction to the study
physical science.

It is the design of the trustees to
have an art collection in the assembly
room of Pauahi Hall, consisting of
paintings of merit, etchings, carbon
photographs, plaster casts, etc. An
appropriation of \$500 has already been
made.

Several valuable oil paintings, in-
cluding Giovanni Tiepolo's "Finding
of Moses," a copy of Guido Reni's
"Aurora," J. G. Stone's "Street Scene
in Constantinople," "The Wahsateh
Mountains," "Vancouver Island,"
"Alaskan Scenery," and six etchings
of scenes from Homer's Iliad by Luigi
Adenoli, have been presented by
Hon. Charles R. Bishop as a nucleus.

To these James S. McCandless of this
city has added Hugo Fisher's "Mer-
ced River," one of the finest reproduc-
tions of American natural scenery.

Under the caption of scholarships,
President Hosmer states that there is
need of more scholarships, many de-
serving boys and girls being kept from
a higher education by inability to pay
tuition fees. Scholarships may be
founded by the payment of \$750.
Twenty-eight scholarships thus far
have been established.

The reading rooms are receiving
particular attention from the faculty.

PLANS FOR THE GRAND STAND AT
CYCLOMERE.

Track and Buildings To Be Completed
by September 1st—Splendid Dress-
ing Rooms.

Plans for the pavilion and grand
stand at the Cyclomere bicycle track
have just been completed by Architect
T. H. Palmer and placed in the hands
of C. S. Desky. If it is possible, the
work of construction will be com-
menced next week and pushed rapid-
ly, that the building may be complet-
ed by the time the track is finished.

The architect's drawings show a
very handsome structure, 150x30 feet,
capable of seating about 1000 people.
The under part of the grand stand
is taken up with dressing rooms and
training quarters for the wheelmen.
There are two dressing rooms, each
22x29 feet, opening upon a general
room 22x51 feet, the three offering
accommodations for all the racing
men that the track can accommodate.
Ample provision is made for baths,
rubbing table and all the other acces-
sories to first class training quarters.
In fact, this portion of the building
is designed after the best training
quarters in the United States.

The grand stand is to be so con-
structed that from every portion of
it a splendid view of the track can be
obtained. It will be well ventilated
and commodious, and calculated to
meet the requirements of a growing
city for some time to come.

Mr. Desky is pushing the work on
the track as rapidly as possible. The
grading is already half completed.
The difficulty has been in securing a
sufficient number of teams to haul the
dirt necessary for filling. Every avail-
able team is being pressed into serv-
ice, and Mr. Desky believes that it
will be possible to complete the grad-
ing and get the dressing on by Sep-
tember 1st, at the latest.

Every portion of the work is being
pushed with vigor, as plans are al-
ready afoot for a big race meet dur-
ing the first week in September.
